

Justin Howard

Thank you for giving me this opportunity, I would love to be considered for the Board and assist with any decisions regarding the course. My wife and I have been proud members since last year and have come to love the course and staff.

I have been building houses in this area for about 20 years and operate my own construction company, JLH Construction.

Since becoming a member, I love spending my time off on the course, and have enjoyed watching my wife Kayla fall in love with the game as well. We always include a round or two at Stagg Hill in our weekend plans.

We have met so many interesting people, and every day at the course brings its own challenges and fun. When I meet non-members, I always try to encourage them to join the club. I would love to dedicate time to help improve Stagg Hill Golf Club and bring in some fresh perspective.

Thanks to all the club members, board, and course staff, for creating a fun atmosphere for us to enjoy the game
