

BRENT CAIN

Thank you for the opportunity to serve on the board at Stagg Hill Golf Club.

I graduated from Tabor College in 1995 with a degree in Elementary Education and spent the next ten years teaching and coaching in Herington, Kansas. After moving to Manhattan, I transitioned into a career in sales at GTM Sportswear, where I continue to work today under the company's new name, Unrivaled Teamwear.

After spending 10 years in western Kansas, my family and I moved back to Manhattan a couple of years ago — making this my second stint as a member at Stagg Hill. Since finishing my college baseball career in 1995, I've been a member at seven different golf courses, and I believe that variety of experience gives me a valuable perspective to bring to Stagg. I typically play about three rounds a week here, so I feel I have a good pulse on how things are going at the course and where we can continue to improve.

Since rejoining a couple of years ago, I've seen some great improvements at the course and would welcome the opportunity to help continue making Stagg Hill Golf Club a fantastic place for both members and daily players to enjoy.

Thanks
